

IFR AWARDS 2022 PROCESS

We are inviting banks to pitch for the IFR Awards 2022.

The awards year runs from January 1 to December 31.

The winners will be published on ifre.com on February 10 and in the IFR Awards supplement dated February 11.

We will present the awards at a gala dinner in London in March.

To help with our selections, banks, advisers and issuers may submit brief written presentations along with supporting data. IFR journalists will also organise pitch meetings.

Pitching is entirely optional and consideration for an award will not be limited to advisers or issuers that participate in this way.

All written pitches should reach us by November 4, with pitch meetings in November and December.

Pitches will be a combination of virtual and in-person meetings.

We will continue to monitor the market until the end of the year and banks may submit addenda to include significant deals that price after submitting their pitches.

In your presentations for house awards you may want to summarise achievements in the awards year. For instance:

- How has your institution progressed over the course of the year?
- What strategic goals have been met?
- How have they been achieved?
- In what ways has your institution adapted to the trends that have driven market activity during the year?
- What has been noteworthy about your deal roster, whether in terms of size, geographical and/or sectoral diversification, degree of innovation or complexity?

Presentations should include individual summaries of the main relevant transactions. Separate documents should be submitted for each major asset class.

Pitch meetings with IFR journalists are limited to a maximum two hours per asset class.

The contents of pitch meetings will be “on the record”, though comments can be made “off the record” if specifically stated at the time.

Pitch documents should be emailed to IFRawards@lseg.com for Global, EMEA and Americas categories. Submissions for Asia-Pacific categories should be sent to daniel.stanton@lseg.com.

Please indicate for which awards you are pitching, giving appropriate contact details.

Final selections will be made by the senior editorial team.

Notes on award categories:

- 1) Banks do not need to be active across the whole region to be considered for regional house awards. Banks do not need to be active in all regions to qualify for global awards.
- 2) M&A Adviser and M&A Deal cover transactions completed in the awards year.
- 3) For M&A-related financing, loans will only be considered if the M&A transaction has completed in the awards year, as it is at this point they are funded. Bonds need to have priced within the awards year but are not contingent on the M&A having also completed.
- 4) Bank for Financial Institutions, Governments and Financial Sponsors covers all capital markets activity across regions, from LME to rights issues, privatisations to century bonds, LBOs to IPOs and M&A and everything in between.
- 5) Bank for Sustainability will recognise a bank that puts ESG/sustainable issues at the heart of its business, as well as being active in related capital market financings.
- 6) ESG Financing House recognises the leading banks in ESG underwriting across asset classes.
- 7) US Diversity & Inclusion House is given to a US-based minority, women or veteran-owned firm and covers activity across asset classes. The award recognises the commitment, performance and expertise of the firm in underwriting securities offerings.
